Defined: A Hate Crime is a criminal offense that manifests evidence that the victim was intentionally selected because of the perpetrator's bias against the victim.

- **Race.** A preformed negative attitude toward a group of persons who possess common physical characteristics, e.g., color of skin, eyes, and/or hair; facial features, etc., genetically transmitted by descent and heredity which distinguish them as a distinct division of humankind, e.g., Asians, blacks or African Americans, whites.
- **Religion.** A preformed negative opinion or attitude toward a group of persons who share the same religious beliefs regarding the origin and purpose of the universe and the existence or nonexistence of a supreme being, e.g., Catholics, Jews, Protestants, atheists.
- **Sexual Orientation.** A preformed negative opinion or attitude toward a group of persons based on their actual or perceived sexual orientation. Sexual Orientation is the term for a person's physical, romantic, and/or emotional attraction to members of the same and/or opposite sex, including lesbian, gay, bisexual, and heterosexual (straight) individuals.
- **Gender.** A preformed negative opinion or attitude toward a person or group of persons based on their actual or perceived gender, e.g., male or female.
- **Gender Identity.** A preformed negative opinion or attitude toward a person or group of persons based on their actual or perceived gender identity, e.g., bias against transgender or gender non-conforming individuals. Gender non-conforming describes a person who does not conform to the gender-based expectations of society, e.g., a woman dressed in traditionally male clothing or a man wearing makeup. A gender non-conforming person may or may not be a lesbian, gay, bisexual, or transgender person but may be perceived as such.
- **Ethnicity.** A preformed negative opinion or attitude toward a group of people whose members identify with each other, through a common heritage, often consisting of a common language, common culture (often including a shared religion) and/or ideology that stresses common ancestry. 8.02 Reporting Hate Violence

The maintenance of a welcoming campus climate is essential to the university's ability to enroll, hire, and retain highly qualified students, faculty and staff. Therefore, the university takes an active role in promoting peace and harmony among diverse groups living, working, and studying within our campus community and to the extent possible, protecting students, faculty, staff, and visitors against incidents or criminal acts that would constitute hate/bias incidents or crimes.

Reporting hate violence is a crucial component in the development of a more tolerant society and a hate free campus environment. Those who believe they have witnessed or been the target or victim of a hate crime or a hate bias motivated incident are encouraged to report the matter to the UMBC Police Department.
